

aspects holidays | Cancel Anytime

We are pleased to offer Aspects Holidays guests our flexible Cancel Anytime option. This add-on allows you to cancel your booking and receive a refund, if notice is given before 00:00 on the date falling 14 days before your holiday Start Date – giving you peace of mind if you need to change your holiday plans.

If you've chosen the Cancel Anytime option at the time of booking, you will receive a full refund of all amounts paid, excluding the Cancel Anytime fee and the Booking fee.

Please note, Cancel Anytime does not apply where:

- the Customer or any guest has breached Aspects Holidays booking conditions or provided false, misleading, incorrect or fraudulent information
- the cancellation results from an act or omission of Aspects Holidays or the Owner, an issue with the Property, an Event Outside Control, adverse weather, or an epidemic or pandemic;
- the cancellation results from war, terrorism, civil unrest, nuclear or radioactive risks, or chemical, biological, biochemical or electromagnetic weapons;
- the cancellation results from financial failure, insolvency or an inability to provide services by any person or organisation; or
- payment would breach any applicable sanction or legal restriction.

If you haven't selected the Cancel Anytime option, our standard cancellation terms will apply.
